

It is Animal Charity's mission to bring about a world and a time and a state of mind where humane societies are no longer necessary. Animal Charity works hard daily to put an end to animal suffering, neglect and cruelty. We diligently work on ensuring that every animal lives happy and healthy in its natural environment or in a safe home. However, we can't save them all. There are a few cases where it is in the best interest of the animal to be humanely euthanized. We provide these services only as a last resort, if an animal is in pain or is suffering. Fees for these services are as follows:

Cat	\$20	Burial Fee	\$10
Dog			
0-20lbs	\$40	Burial Fee	\$25
21-60 lbs	\$55		\$25
61-100 lbs	\$65		\$25
>100 lbs	\$80		\$30

*If your pet has not seen the vet within the year you must see the Veterinarian for a euthanasia consult for an additional fee of \$20

**Be part of the solution, not part of the problem!
Spay, neuter and vaccinate your pets!**

Every year millions of pets are abused, neglected or abandoned. Every year millions of unwanted pets must be euthanized in shelters.

The clinic prices listed help support our program to fight animal cruelty, to educate the public on responsible pet ownership and to help rehabilitate and release wildlife. They are affordable costs to you, our appreciated clients. Due to our low prices, we will not be able to accept payments, offer discounts, give refunds or make any other payment arrangements. The only acceptable form of payment is payment IN FULL on the day of service by cash, debit or credit card.

Thank you so much for your support and cooperation. Our furry little friends appreciate it! Have a wonderful day!

Don't forget to ask about our adoption and foster programs! We have many animals waiting for good homes, waiting for you!

Some additional fees may apply and all prices subject to change
